

An Array of Possibilities at The School of Education

Simone Conceição, Ph.D.

**The Class of Administrative Leadership 767
Presents**

**Log On, Plug In, Fire Up
Technological Trends in Adult,
Continuing, and Higher Education**

A Bold New Approach

A bold new approach to teaching, learning, and collaboration

Learn to provide practical and useful examples of current trends and tools used in adult, continuing, and higher education. Successful facilitation of adult education is an ongoing process of learning. The capacity of the online and virtual learning environments continues to grow. Update your skills by participating in this web conference where you will learn to implement many current trends and tools while encouraging learner interaction and collaboration.

Registration

REGISTER NOW>> <https://www4.uwm.edu/sce/registration/add.cfm?id=48715>

WHEN: Tuesday, April 23, 2013, 10:00am – 3:30pm CST

WHERE: Blackboard Collaborate web conferencing platform

FEE: \$40 Registration Fee, \$50 after March 31, \$25 Student Registration Fee

CEUs: 5 hours of instructional time or 0.5 CEUs, \$20 Fee (in addition to Registration fee)

Conference Objectives

Technological change in the learning environment means we must go beyond traditional approaches when educating adult professionals. This essential, one-day conference, designed specifically for educators, trainers, instructional designers, higher education administrators and students, showcases the most popular trends in adult, continuing, and higher education.

This conference will provide insights into Social Media in education, accessibility, instructional strategies and design, and Massive Open Online Courses.
